<p>SB 1338</p> <p>Umberg D</p>	<p>Community Assistance, Recovery, and Empowerment (CARE) Court Program.</p> <p>Would enact the Community Assistance, Recovery, and Empowerment (CARE) Act, which would authorize specified persons to petition a civil court to create a voluntary CARE agreement or a court-ordered CARE plan and implement services, to be provided by county behavioral health agencies, to provide behavioral health care, including stabilization medication, housing, and other enumerated services to adults who are suffering from schizophrenia spectrum and psychotic disorders and who meet other specified criteria. The bill would specify the process by which the petition is filed and reviewed, including requiring the petition to be signed under penalty of perjury, and to contain specified information, including the acts that support the petitioner's assertion that the respondent meets the CARE criteria. The bill would also specify the schedule of review hearings required if the respondent is ordered to comply with an up to one-year CARE plan by the court. The bill would make the hearings in a CARE proceeding confidential and not open to the public, thereby limiting public access to a meeting of a public body. The bill would authorize the CARE plan to be extended once, for up to one year, and prescribes the requirement for the graduation plan that is required upon leaving the CARE program.
